Cleveland is the worst city to raise a family in, one survey says

Cleveland, Ohio

Cleveland is ranked as the worst city in the US to raise a family in, according to new survey data.

Cleveland (left) ranked last out of 182 US cities that were surveyed for the best cities to raise a family in, with a total score of 34.

The cities were measured across five categories: family fun, health and safety, education and child care, affordability and socio-economics.

Each category included even more specific criteria, including cost of living, walkability, crime rate-per-capita, average commute time, playgrounds-per-capita, air quality, and more.

In the five categories, Cleveland ranked (out of 182):

106th in family fun

160th in health and safety

167th in education and child care

168th in affordability

181st in socio-economics.
